MASSAGE CALIFORNIEN // CALIFORNIAN MASSAGE

A gentle, enveloping massage designed to bring deep relaxation and well-being. Perfect for releasing tension and restoring inner balance.

This intense treatment targets deep muscle tension. Energizing and detoxifying, it is especially recommended after physical activity or during periods of prolonged stress.

Designed especially for travelers, this massage boosts circulation, eases muscular tension, and helps reset your body rhythm after a flight or long journey.

A gentle, precise technique that stimulates lymphatic circulation, reduces swelling, and provides a lasting sensation of lightness.
